While some hotels and motels may be feeling the pinch of the GFC, the holiday/ caravan park industry seems to have missed the “doom & gloom” and has continued to grow from strength to strength. The number of value conscious tourists booking holiday parks over a hotel, motel or an overseas holiday is increasing.

Gold Coast’s Treasure Island, one of the busiest and most popular holiday parks in Australia, recently opened 20 new Pandanus Villas. These modern two bedroom, two bathroom villas are ideal for families and couples, sleeping up to six people.

The emphasis of the villas is on simplicity with an open layout and natural finishes, including stone bench tops and timber flooring reflecting the surrounding hues and creating a cool, crisp mood. Each villa is fully equipped with modern European appliances.

Set amongst landscaped gardens, the villas offer a private en suite for each bedroom, a spacious open plan kitchen and lounge area, internal laundry and a large balcony with built-in

BBQ - perfect to kick back and relax while cooking your own private feast!

Treasure Island is centrally located between all major theme parks, 1km from the Broadwater, only 10 minutes drive north of Surfers Paradise and within walking distance to Harbourtown Shopping Centre.
